**HOLIDAY
COLLECTION**

A winter landscape featuring a calm lake reflecting a sunset sky with soft, colorful clouds. The shoreline is covered in snow, and the trees are heavily laden with white snow. The scene is framed by dark green pine branches with red berries and a small, round, moss-covered ball in the foreground. The overall atmosphere is serene and festive.

*As the woods come alive with icy snowflakes
on a dark winter's afternoon, harmonious carols
of merriment bring peace and yuletide cheer.
Steaming cups melt a path through freshly fallen
snow, while a crystal clear lake glistens like
a rough cut diamond under the twilit sky.
By nightfall, a warm midnight glow beckons
on the holy night of Noel.*
